Flexibility...

The perfect choice for smoothies, margaritas, daiquiris, iced cappuccinos, granitas, and more.

Dependability...

Considered the worldwide standard by bartenders who've come to rely on their dependable performance.

Two Speed Power...

Separate "On/Off" and two-speed toggle switches are conveniently located for quick and easy access.

Durable Stainless Steel Blades...

Four stainless steel cutting and mixing blades ensure perfectly smooth drinks with no unwanted ice or fruit chunks.

Container...

Model 908 is equipped with a break-resistant 44 ounce polycarbonate container with easy-to-read graduated measurement marks and an easy-grip handle.

Model 909 features a 32 ounce durable stainless steel container with a snug fitting, two-piece vinyl lid.

Easy to Service...

Parts and accessories, like our flexible, easy-to-change neoprene clutch assembly, are available for your convenience — a service designed to increase motor life.
